HoD Secondary Maths Network Meeting

Bromley, Croydon and Lambeth HoDs:

Please join us on Thursday 13th May from 4pm till 4:45pm.

With everything that is going on this past year we thought it would be great to get together as HoDs to share knowledge, swap ideas and discuss all things maths-related.

In these sessions, there will be opportunities to:

Sign Up Now

- Discuss a topical issue
- Update on NCETM latest resources
- Explore Maths Hub Support and Programmes
- Hear from a guest speaker

In this first meeting our topical issue will be our current provision with our KS4 curriculum for the Summer and Autumn term for 2021. This network will be supported by an online community that you can **join here** today. Feel free to join the discussion in advance of the meeting sharing your thoughts on:

1. Your schools' approach to the Teacher Assessed Grades
2. The key priorities for the remainder of this school year.
3. Approaching the next 12 months with regards to curriculum recovery.

Once registered, you will receive a link to the first session.
