

Year 5 – Year 8 Continuity

Algebra Focus

Overview:

Introducing brand new resources to explore algebraic thinking, led by Alison Hopper (MEI). As part of the wider Year 5 to 8 Continuity work in the NCETM, we are creating a set of resources to support the development of algebraic thinking. This Work Group will trial these resources and the pedagogical approaches they promote as a vehicle for discussing teaching and learning in maths across the KS2-3 boundary.

As participants, you will discuss and plan from the resources, try out the materials with pupils and return to discuss the impact that the activities and representations had on pupils, their learning and thinking.

Sessions:

Session 1: Monday 10th May 2021 (15:30 – 17:00)

Session 2: Monday 24th May 2021 (15:30 – 17:00)

Session 3: Monday 7th June 2021 (15:30 – 17:00)

Session 4: Monday 21st June 2021 (15:30 – 17:00)
